

Lx3 Plus

SUSTAINABILITY AND PERFORMANCE
FOR YOUR ROAD SIGNAGE

Lx3 Plus

THE ECO-DESIGNED ROAD SIGN, THE VERY BEST IN ITS CATEGORY.

Lx3 PLUS CERTIFIED IN LINE WITH STANDARDS NF SP-903 - CE 1826-CPR-04-PAN7.

ROBUSTNESS AND DURABILITY

- **Market-leading performance** for resistance to wind pressure and vandalism (**WL9 and PL3*** according to CE standard)
- **One-piece, double-sided** design for message durability without separation of elements in case of impact
- Proven resistance to sunlight thanks to the application of an anti-UV film

*WL = Wind Load
PL = Punctual Load

ERGONOMICS AND STORAGE

- 100% aluminium design, making the sign **easy to handle**
- Easy grip thanks to the **handle rail**
- Total sign thickness optimised to 22mm to simplify logistics and storage

QUICK AND EASY SET-UP

- Quick and easy set-up with **quarter-turn screws**
- **Lateral adjustment** system for offsetting the sign according to layout constraints
- Screw heads slide easily into rail groove
- Markers on back of sign for optimum centring on bracket

AESTHETICS

- **Sleek, modern lines** to ensure visual continuity with pre-existing signs
- Optional closed back for a premium finish
- Wide choice of lacquer colours

AN ECO-DESIGNED RANGE

The Lx3 Plus range has been designed to reduce environmental impact at every stage of its life cycle. For each sign, these optimisations represent:

30% LESS
CO² EMISSIONS

equivalent to 22km in a diesel car

26% LESS
WATER CONSUMPTION

equivalent to 50 multi-packs of water

30% LESS
ELECTRICITY CONSUMPTION

equivalent to a 23 W LED bulb lit for 100 days

(Data obtained by comparison with consumption levels of the previous Lx3 range, on a 100% basis).

PROPERTIES

MATERIALS AND DESIGN

Retro-reflective film decor available in:

Class 1

Class 2

Class 3

Weight: 1.16kg for a 700mm small range triangle

Thickness of aluminium sheet: 1.2mm

Thickness of rail panel included: 22mm

MOUNTS

Compatible screws

Hexagonal head

Quarter-turn head

Compatible brackets and flanges

40 × 40mm 80 × 80mm

Ø50mm Ø60mm

40 × 27mm 80 × 40mm

OPTIONS
